

# Index to Volume 21

## Subject Index

- Accident and emergency department use, community health center effect on, in Mosgiel, N.Z., 379
- Aged
  - continuously enrolled, Medicare use by, 567
  - impaired, substitution between formally and informally provided care for, 609
- Algorithm
  - clinical, for prehospital cardiac care, 147
  - cost and quality of patient care and, 157
- Algorithm-directed care, by nonphysician practitioner, in pediatric population, 127
- Ambulatory care
  - analyzing content of, diagnosis clusters in, 105
  - housestaff charges and, cost-containment educational program for, 486
  - pediatric nurse practitioners and pediatricians in, health problems encountered by, 168
  - travel for, 543
- Antipsychotic drug, prescribing of, by Southern psychiatrists, 639
- Bayesian classification procedure, 44
- Behavioral intervention, for hypertensive patient, dropping out of care and, 970
- Blood pressure, elevated, computer-based monitoring system for, 400. *See also* Hypertensive patient
- Breast cancer, surgical treatment of, changing practice in, 1232
- Burn severity, institutional differences and, costs of care in, 1192
- California, unlicensed foreign medical graduates in, 1168
- Canada health survey, national health insurance scheme and, 1037
- Canadian Indian health status index, 67
- Cardiac care, prehospital, clinical algorithm for, 147
- Cardiac patient, length of stay and, 519
- Care-by-patient ward, cost savings and, 768
- Category rating scales, health index bias and, 193
- Charges
  - continuing ambulatory care, family medicine vs internal medicine in, 830
  - housestaff ambulatory clinic, cost-containment educational program for, 486
- Chest radiograph, in acute cough, 661
- Child
  - disabled, women's time use and, 620
  - health of, sibling data and family background in, 630
- Cholecystectomy, shorter length of stay for, cost-effectiveness of, 745
- Chronic disease, measuring functional outcomes in, 180
- Claims data, validity of, computerized ambulatory medical record system and, 463
- Clinician-patient interaction, systematic analysis of, 279
- Communication, physician-patient encounters and, 1223
- Community health center, at Mosgiel, N.Z., hospital accident and emergency department use and, 379
- Compliance, patient understanding and satisfaction in, 886
- Computer-based monitoring system, for elevated blood pressure follow-up, 400
- Computerized ambulatory medical record system, validity of claims data and, 463
- Computerized drug profiles, in Seattle, 497
- Continuity of care, quantitative measurement of, 856
- Cost
  - of acute inpatient psychiatric services, 911
  - burn severity and institutional differences in, 1192
  - outpatient and emergency room, Texas Medicaid program and, 892
- Cost control
  - care-by-patient ward and, 768
  - education program for, housestaff ambulatory clinic charges and, 486
  - for laboratory testing, 783
  - physicians and, attitudes and behavioral expectations in, 508
  - of shorter length of stay in cholecystectomy, 745
- Cough, acute, chest radiographs in, 661
- Data quality, diagnosis-related group's case mix index and reimbursement and, 1001
- Denmark, self-care of common illness in, 1012
- Dental utilization review system, focused, evaluation of, 473
- Diagnosis clusters, in analysis of content of ambulatory medical care, 105
- Diagnosis-related group, case mix index of, reimbursement and, 1001
- Diagnostic skill, receiver operating characteristic analysis of, 876
- Diagnostic tests, perceived price of, physicians' demand and, 243
- Disability, patient satisfaction with medical care and, 1062
- Discharge interview, patient knowledge, compliance, functional status and, 755
- Doctor, waiting to see, 531
- Drug, nonprescribed, health status and social factors in, 225
- Drug profiles, computerized, in Seattle, 497
- Economic costs, of schizophrenia, 92
- Education program, patient, 655
- Elderly, impaired, substitution between formally and informally provided care for, 609
- Emergency and accident department use, community health center effect on, in Mosgiel, N.Z., 379
- Emergency room, costs of, Texas Medicaid program and, 892
- Emotional problems, physician utilization for, legitimacy of, 1128
- Family background, influence on child health and, 630
- Family medicine, internal medicine vs, continuing ambulatory care charges in, 830
- Family practitioner, HMO, prescribing volume of, nonmedical factors in, 990
- Finland, obstetric practice in, 1131
- Foreign medical graduates, unlicensed, in California, 1168
